Sir:

**DECLARATION OF FACTS UNDER 37 C.F.R. § 1.47(b)**  
**BY PAOLA PETIVA**

I, Paola Petiva, hereby declare as follows:

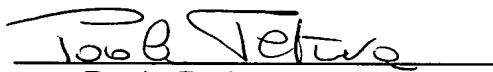

1. I am employed in the Industrial Property Rights Function, Telecom Italia S.p.A. c/o Pirelli & C. S.p.A. at Viale Sarca 222, 20126 Milano, Italy. One of my responsibilities is to assist in the processing of my company's patent applications to be filed in the United States and Canada.
2. On or about December 12, 2002, I sent a copy of the above-identified as filed PCT application, PCT/IB02/05216, to each of the inventors listed in the "To:" heading of my letter, including Mr. Enrico Giovanardi, and I advised the inventors that the patent

application had been filed with the WIPO Patent Office in GENEVA on December 10, 2002, listing each of them, including E. GIOVANARDI, as a co-inventor. As shown on my letter, the enclosure was a copy of the patent application. (See copy of the original and English-language translation attached hereto and identified as EXHIBIT A).

3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that the willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed:

  
Paola Petiva

Subject: **First filing of an application for an international patent  
No. PCT/IB02/05216**

Date of first filing (priority date): **December 10, 2002**

Title: **"Method to Optimize Positioning of High Sensitivity Receiver Front-End in a Mobile Telephone Network and Related Mobile Telephone Network"**

On behalf of: **PIRELLI CAVI E SISTEMI SpA and TELECOM ITALIA SpA**

We are advising you that the above-mentioned patent application has been filed with the WIPO Patent Office in Geneva on the above-mentioned date, listing as inventors:

**V. BOFFA, E. DAMOSO, E. GIOVANARDI, R. MELE, F. RICCI, L. STOLA, D. TEALDI**

We recall that within a year from the date of the first filing it is possible to extend the patent applications to the concerned countries; the Industrial Property Department (DPI) will therefore take steps to inform the officials at the proper time for a joint decision in this regard.

We are attaching a copy of the above-mentioned patent application, recalling that the patent applications are published only **18 months** after the date of the **first filing** and that, therefore, during this period they are **secret**. In this regard, in the event the need arises to disclose the invention or describe it to third parties, before the expiration of this period, we invite you to contact the Industrial Property Department (DPI) to jointly assess the methods and the purposes of this disclosure (it is a corporate policy to keep the contents of the application **secret**, unless there is an express decision to the contrary).

Cordially yours,

Paola Petiva  
Industrial Property Department
